

Therapy

Our residential counseling consists of the following:

- Individual counseling every two weeks unless needed more often
- Group counseling 3X's a week
- Family counseling once a month
- Substance abuse counseling once every two weeks
- Pet therapy once every two weeks

In a 9 to 12 month period our goal is to prepare our teen girls for discharge into a less restrictive setting, one of the following: family reunification, independent living, supported independent living, or foster care.
